ABOUT ME

I am seeking a role where I can contribute my ideas, collaboration with a team and receive mentorship to grow both personally and professionally. I aspire to work in a company that provides opportunities to launch my career and strengthen my skills for long - term success.

PROJECTS

Construction Management System | MERN Stack

Developed a platform for managing construction site progress. Enabled contractors to upload weekly updates with images, completed work, materials used, and cost details. Clients can view the work details.

Blog App | MERN Stack

Developed a full-stack blog platform with user authentication, CRUD operations, and a comment section for each blog post to allow user interaction.

INTERNSHIP

Web Developement - CODESOFT   **Feb 2024 - Apr 2024**
